The 14th Central Asian International

# TEXTILE MACHINERY Exhibition

**7-9 SEPTEMBER 2022**

Tashkent, Uzbekistan

[www.caitme.uz](http://www.caitme.uz)

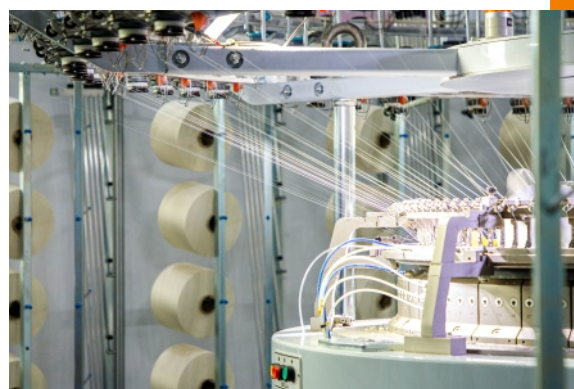

**CAITME is the largest international trade exhibition of textile machinery and technologies in Central Asia and the CIS.**

## KEY SUCCESS FACTORS

- Participation of recognized leaders and suppliers of advanced textile machinery and technologies
- Support of key ministries and associations
- Unique target audience from all over the Central Asian region
- Main business platform for efficient meetings of equipment suppliers and local manufacturers of textiles and garments
- Demonstration of machines and equipment in action, first-hand technical consulting
- Preferences for imports of advanced machinery and technologies
- Dynamically developing regional textile center with huge potential for further growth

## COUNTRY AND INDUSTRY IN BRIEF

- **6th place in the world** for cotton production
- **100%** of cotton fibre processed domestically
- Over **7000 enterprises**, of which **about 2000 exporters**
- **125 cotton-textile clusters** worth \$2 bln. and **150 000 jobs**
- **2nd place** in the country's industrial output
- Export makes **over \$3 bln. per year**
- **26%** of the country's overall export volume

In the coming years, the State Programs and resolutions on industry's further development and support will facilitate the imports of the modern high-quality production, processing equipment and technologies from the world's best manufacturers and brands.
