It is very important for Italian companies to be present in Uzbekistan and CAITME in particular. CAITME is the most renowned exhibition in Italy and among Italian textile machinery manufacturers especially. So, clearly, it is high standard to be present here particularly. So, we know that Uzbekistan sector can rely on CAITME fair as one of the biggest and most important exhibitions of the country.

Adil Nalbant
President
TEMSAD Association
Turkiye

We are here as MAIB (Machinery Exporters Association) and TEMSAD for support CAITME Exhibition. Uzbekistan is really important partner and brother country for us. Also CAITME 2024 Exhibition is really important for us and we have 53 exhibitors from Turkiye. CAITME 2024 is going very good and fruitful.

Gianpiero Valsecchi

And I have been coming to CAITME Fair for since the early days in the beginning. I still remember in the beginning it was organised in a hotel. Just a few booths and now it has really been expanding to the extent that this exposition centre is almost too small to gather all these guests.

We are participating here for last three years and this market is very good and growing market. We are very much happy with Uzbekistan market and last two years we are penetrating more in textile mills. And with this exhibition we are expecting more customers to buy. Thank you very much for the organisers and the customers who participated in this exhibition.

Nadya
